

I hope that you can see just how wrong this intense airing of Stolen Honor is. Sinclair obviously has a plan to gather more Bush votes, and he seems to have the power as well. Please don't let this power be misused like this. Let people who want to see this "movie" do so on their own. We don't want to be force fed.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
